January 19, 2017

Ms. Sue Fritzke
Superintendent
Bryce Canyon National Park
P.O. Box 640201
Bryce, UT 84764

Dear Ms. Fritzke:

On December 28, 2016, President Obama designated the Bears Ears National Monument in Utah and the Gold Butte National Monument in Nevada pursuant to his authority under the Antiquities Act.¹ The following day, the Bryce Canyon National Park's official Twitter account tweeted: "Welcome to the family Bears Ears (& Gold Butte) NM! A hopeful slot in our front desk maps has long been held for you."²

This message created the appearance that officials at Bryce Canyon coordinated with the White House prior to this most recent designation. If it is true that you or your staff knew in advance about the Bears Ears National Monument designation, it calls into question the White House's claim to Utah Governor Gary Herbert that no decision had been made about Bears Ears as of December 15, 2016.³

To help the Committee understand the timeline and level of coordination with respect to the Bears Ears National Monument designation, please answer the following questions as soon as possible, but not later than January 31, 2017:

1. Identify any employees of Bryce Canyon National Park consulted regarding the Bears Ears National Monument Designation. For each employee, identify the communications, that is, when did those conversations occur and with whom?

³ Letter from Gary R. Herbert, Governor, State of Utah, to Dennis McDonough, Chief of Staff, White House (Dec. 15, 2016).

2. When was a Bears Ears map slot created in the Bryce Canyon National Park's front desk national parks and monuments map area?
3. Who made the decision to create a Bears Ears map slot in the Bryce Canyon National Park's front desk national parks and monuments map area?
4. When did you become aware of the Bears Ears National Monument designation and from whom?

Please deliver your response to the Majority staff in Room 2157 of the Rayburn House Office Building and the Minority staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request.

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

Please contact Chris Esparza of the Committee staff at (202) 225-5074 with any questions about this request. Thank you for your prompt attention to this matter.

Sincerely,

Jason Chaffetz
Chairman

Enclosure

Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
